

### **Visit of the Mayor of the city of Reinfeld**

On Friday, January 10, 2020, we were able to welcome the Mayor of the city of Reinfeld, Mr. Heiko Gerstmann, and the Head of Local Council, Mr. Gerd Herrmann, in our office.

After our move to Reinfeld in 2017, this was the first visit of the official representatives of the city of Reinfeld. The reason for this visit was the beginning of the new year but as well to get to know each other.

The Managing Directors of ROLF SCHLICHT GmbH, Mr. Heiko Heynen and Mr. Lars Bochmann, introduced the company and showed our business premises. Mr. Gerstmann assured us that ROLF SCHLICHT GmbH is one of the 10 top companies in Reinfeld.

We will of course continue to expand this position with innovative new and further developments and are looking forward to a successful cooperation also in future.
