RS Spare parts, Maintenance, Overhauling, Retrofitting

We keep all wear parts in our own warehouse and use a professional logistics infrastructure for our spare parts service. All spare parts can be dispatched within 24 hours (except on weekends).

We offer:

- Spare parts for all models Talk-O-Mat / Talkator, RS 80, PBA, RSC, RSC NG, Talkator NG
- Maintenance or maintenance contracts with our own trained staff
- Overhaul of old machines (Talkator, RS 80, PBA, RSC)
- Retrofitting / retrofitting with optional components or new components (NG series)
- Technical support by phone, mail, video conferencing
